## Chairperson's Column

Formation of the IQAC in the college supports the institution streaming towards excellence in teaching, learning, and

other academic and co-academic activities.

The Internal Quality Assurance Cell (IQAC) has been trying to "develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance" of the institution for the last few months. The IQAC will continue to "develop and apply quality benchmarks for the various academic and administrative activities" in the coming years too.

We serve to nurture our students with active prominence on all three aspects of integrated and holistic education e.g. physical, intellectual and value education. Our College is valued for its academic objectivity, particularly the delivery of contents which is student centric and research oriented. In this setting, the Internal Quality Assurance Cell will be the catalyst for further accelerating the growth of the institution in future. IQAC has to initiate, plan and supervise various activities that are necessary to increase the quality of the education imparted in our institution

Thassim Beevi Abdul Kader College for Women, Kilakarai (Autonomous) has a history of setting standards in quality

education and sustenance, and excel it in the academic excellence, sports or cultural activities. The College has a vision of integrating creative modes of teaching and learning, extra-curricular activities, research and student development activities in its pursuit of nation building process. The Internal Quality Assurance Cell would further promote the central vision of the College in its path to becoming a 'College of Excellence.

I congratulate this dynamic and spirited Cell on its efforts in taking this college to a great height and proposed my best wishes for releasing the issue of "IQAC Newsletter"

Wishing You all Success!

**Dr. Sumayya**

## Coordinator's Column

IQAC of the college being an essential part works towards realizing the goals of quality enhancement by emerging a system for conscious and consistent developments of the college. It provides adequate, suitable and abundant facilities to assure powerful environment for teaching and learning. Hence our aim is to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices. The introduction of the IQAC newsletter marks a new step in its vision to channelize the determinations and actions of the Institution towards academic excellence. The IQAC is planned as an embedded function of the college, binding collaborations from all its constituent units. As a part of its mandate of developing an all-inclusive quality culture in the college, the newsletter will serve as an important channel in the effort of dispersing important information of the College and its activities on a periodic basis. The college has a vision of integrating innovative ways of teaching and learning extra-curricular activities, research and students' development in its search of Nation Building. College provides well-organized, dynamic and energetic environment. We try to cherish our students with active importance on all aspects of holistic development.
