Chairperson's Column

Quality is a byword for excellence in education.

The assurance and sustenance of quality in Higher Education Institutions is the primary responsibility of the Internal Quality Assurance Cell (IQAC). The formation of IQAC has been effected thanks to the initiative of the National

Assessment and Accreditation Council of India (NAAC), the apex evaluatory body for Higher Education Institutions. The purpose of this cell is to implement and internalize innovative and best practices in all the academic and administrative processes that define an institution. In fact, IQAC is no less than the heart of an institution. It pumps into the academia a rich and constant supply of ideas and practices that have a transformative effect in terms of improving institutional health, efficiency and productivity. It is through its effective functioning that the institution fulfils its aims at quality

enrichment and quality sustenance. The College IQAC has been putting in a lot of efforts for introducing student-centric teaching and learning, focussed research along with goal oriented governance and management. I am extremely happy that the IQAC of our College is bringing out its seventh issue of a newsletter dedicated solely to matters regarding higher education and NAAC measures. I congratulate the editorial team of the newsletter for this richly informative inaugural issue.

Dr. Sumayya

Coordinator's Column

Dear Reader,
Greetings!

The launch of the IQAC newsletter marks a new step in its vision to channelize the efforts and measures of the Institution towards academic excellence. In the post NAAC accreditation scenario, the IQAC is envisioned as an embedded function of the college, harnessing synergies from all its constituent units. As a part of its mandate of developing an all-encompassing quality culture in the college, the newsletter will serve as an important conduit in the effort of spreading important information of the College and its activities on a periodic basis. We thank everyone for their unconditional support and cooperation in the publication of seventh IQAC newsletter. We hope your feedback and suggestions will help the IQAC to develop further in its endeavour of creation, sustenance and enhancement of quality in the College
